

Questions and Answers for BFRDP Applications - 2017

Questions asked during prior years' applicant webinars, with answers by USDA/NIFA staff (updated to be accurate with respect to the 2017 Request for Applications), are now available in a dynamic tool (FAQ portal) provided by New Entry Sustainable Farming Project as part of a BFRDP Education Enhancement Team grant to develop resources and tools to support inexperienced applicants with the application process. You can read the answers to prior questions and pose new questions that will be answered by NIFA staff.

Visit the FAQ Portal at <http://nesfp.org/faq> and visit New Entry's BFRDP Assistance Page at <https://nesfp.org/BFRDP> for more information and assistance from this project.

Please note: the FAQ Portal is a tool to help applicants with some of the most frequently asked questions. It is not a substitute for reading and carefully following all of the instructions in the Request for Applications (RFA) and the NIFA Grants.gov Application Guide. In fact, many of these questions may not make sense unless you have read the Request for Applications and/or the NIFA Grants.gov Application Guide. You can download the RFA from the "View RFA" link at the NIFA Funding Opportunity page at <http://nifa.usda.gov/funding-opportunity/beginning-farmer-and-rancher-development-program-bfrdp> and read more about the BFRDP program at <http://nifa.usda.gov/program/beginning-farmer-and-rancher-development-program> .
