

## FY 2018 NIFA State Liaison Assignments

For FY 2018, NIFA National Program Leaders (NPL) who are assigned as State Liaisons will only review a single *AREERA Annual Report of Accomplishments and Results* submitted by their assigned state. For states with multiple Land-Grant institutions (1862s and 1890s), this means a single Annual Report will reflect all institutions' combined accomplishments. NIFA has waived the requirement for 2018-2022 Plans of Work to be submitted by the states; therefore, State Liaisons will not be required to review Plans of Work.

Note: Some states carry two NPLs as State Liaisons. The primary (P) is responsible for the review of Annual Reports while the secondary (S) serves in an understudy capacity.
