## **PART I—FUNDING OPPORTUNITY DESCRIPTION**

### **A. Legislative Authority and Background**

Sections 3(b) and 3(c) of the Smith-Lever Act (program referred to as SLBC) provide funding for agricultural extension programs at 1862 Land-grant universities.

States are eligible for funds appropriated under this Act according to the following formula: Out of each annual allocation, each State will be entitled to receive a sum of money equal to the sums available from Federal cooperative extension funds for the fiscal year, and subject to the same requirements as to furnishing of equivalent sums by the State, except that amounts heretofore made available to the Secretary for allotment on the basis of special needs shall continue to be available for use on the same basis. Further, the University of Guam and the University of the Virgin Islands will receive \$100,000 each in addition to the sums appropriated for the several States of the United States and Puerto Rico under the provisions of sections 3(b) and 3(c) of the Smith-Lever Act. Of the remainder so appropriated for each fiscal year 20 per cent will be paid to the several States in equal proportions, 40 per cent will be paid to the several States in the proportion that the rural population of each bears to the total rural population of the several States as determined by the census, and the balance will be paid to the several States in the proportion that the farm population of each bears to the total farm population of the several States as determined by the census. Any appropriation made under sections 3(b) and 3(c) of the Smith-Lever Act will be allotted in the first and succeeding years on the basis of the decennial census current at the time the appropriation is first made, and as to any increase, on the basis of decennial census current at the time such increase is first appropriated.

Sections 208 of the District of Columbia Public Postsecondary Education Reorganization Act provides, in pertinent part, that “[i]n the administration of the Act of May 8, 1914 (7 U.S.C. 341-346, 347a-349) (known as the Smith-Lever Act)... the University [of the District of Columbia] shall be considered to be a university established for the benefit of agriculture and the mechanic arts in accordance with the provisions of the Act of July 2, 1862 (7 U.S.C. 301- 305, 307,308); and... the term “State” as used in such Act of May 8, 1914, shall include the District of Columbia, except that the District of Columbia shall not be eligible to receive any sums appropriated under section 3 of such Act.... In lieu of an authorization of appropriations for the District of Columbia under section 3 of such Act of May 8, 1914, there is authorized to be appropriated such sums as may be necessary to provide cooperative agricultural extension work in the District of Columbia under such Act. Any reference in such Act (other than section 3 thereof) to funds appropriated under such Act shall in the case of the District of Columbia be considered a reference to funds appropriated under this subsection.”

### **B. Purpose**

The purpose of this funding is to conduct cooperative agricultural extension work.

## **PART II—AWARD INFORMATION**

### **A. Available Funding**

Subject to any 2016 Continuing Resolution, funds will be distributed to the institutions on a quarterly basis and according to the amounts allocated in FY 2015. Adjustments will be made to the allocations for FY 2016 once the FY 2016 appropriations are finalized. The amount available for support of this program in FY 2015 was **\$288,022,464**.

Awards issued as a result of this RFA will have designated the Automated Standard Applications for Payment System (ASAP), operated by the Department of Treasury's Bureau of the Fiscal Service, as the payment system for funds. For more information see <http://fms.treas.gov/index1.html>.

Awards issued under the Cooperative Extension Programs at 1862 Land-Grant Institutions shall follow section 3(e)(1) of the Smith-Lever Act (7 U.S.C. §343(e) (1)) which states, with regard to institutions in the 50 states, “no allotment shall be made to a State under subsection (b) or (c), and no payments from the allotment shall be made to a State, in excess of the amount that the State makes available out of non-Federal funds for cooperative extension work.” However, section 3(e)(4) of the Smith-Lever Act (U.S.C. §343(e)(4)) provides that “Effective beginning for fiscal year 2003, in lieu of the matching funds requirement of paragraph (1), the insular areas of [American Samoa,] the Commonwealth of Puerto Rico, Guam, [Micronesia, the Northern Marianas Islands,] and the Virgin Islands of the United States shall provide matching funds from non-Federal sources in an amount equal to not less than 50 percent of the formula funds

distributed by the Secretary to each of the insular areas, respectively, under this section..... The Secretary may waive the matching fund requirement [of 50 percent] for any fiscal year if the Secretary determines that the government of the insular area will be unlikely to meet the matching requirement for the fiscal year.” See Part IV. B.2.b. for information about how to request a waiver.

## PART IV—APPLICATION AND SUBMISSION INFORMATION

### A. Electronic Application Package

Only electronic applications may be submitted via Grants.gov to NIFA in response to this RFA. We urge you to submit early to the Grants.gov system. For an overview of the Grants.gov application process see <http://www.grants.gov/web/grants/applicants/grant-application-process.html>.

#### New Users of Grants.gov

Prior to preparing an application, we recommend that the Project Director/Principal Investigator (PD/PI) first contact an Authorized Representative (AR, also referred to as Authorized Organizational Representative or AOR)<sup>1</sup> (see B.,1.,d. of this Part to determine if the organization is prepared to submit electronic applications through Grants.gov. If not (e.g., the institution/organization is new to the electronic grant application process through Grants.gov), then you must complete the one-time registration process **PRIOR** to submitting an application. It can take as long as 2 weeks to complete the registration process so it is critical to begin as soon as possible. In such situations, the AR should go to **“Register” in the top right corner of the Grants.gov web page (or go to <http://www.grants.gov/web/grants/register.html>) for information on registering the institution/organization with Grants.gov.** Item 2. below mentions the “NIFA Grants.gov Application Guide.” Part II., 1. of the NIFA Grants.gov Application Guide contains additional explanatory language regarding the registration process.

#### Steps to Obtain Application Package Materials

To receive application materials:

1. You must download and install a version of Adobe Reader compatible with Grants.gov to access, complete, and submit applications. For basic system requirements and download instructions, see <http://www.grants.gov/web/grants/support/technical-support/software/adobe-reader-compatibility.html>. Grants.gov has a test package that will help you determination whether your current version of Adobe Reader is compatible.
2. To obtain the application package from Grants.gov, go to <http://www.grants.gov/web/grants/applicants/apply-for-grants.html>. Under Step 1 click on “Download a Grant Application Package,” and enter the funding opportunity number **USDA-NIFA-SLBCD-005316** in the appropriate box and click “Download Package.” From the search results, click “Download” to access the application package.

The application package contains the “NIFA Grants.gov Application Guide.” This guide contains an introduction and general Grants.gov instructions, information about how to use a Grant Application Package in Grants.gov, and instructions on how to complete the application forms.

---

<sup>1</sup>The Authorized Representative (AR) must have the authority to represent and bind the organization for any agreement (i.e., the individual who is authorized to commit the awardee’s time and other resources to the project, to commit the awardee to comply with the terms and conditions of the award instrument including those set out herein, and to otherwise act for or on behalf of the awardee institution or organization).

**If you require assistance to access the application package** (e.g., downloading or navigating Adobe forms) **or submitting the application**, refer to resources available on the Grants.gov website (<http://www.grants.gov/web/grants/applicants/applicant-resources.html>). #### **D. Funding Restrictions**

##### **(1) Program and Extension Activities**

Smith-Lever Act sections 3(b) and 3(c) Federal funding may only be used for extension programs and an activity identified in the institution's approved 5-Year Plan of Work.

## **PART V—APPLICATION REVIEW REQUIREMENTS**

### **A. General**

NIFA will review submitted documents to determine if all program, financial, and administrative requirements have been met and are current.

### **B. Organizational Management Information**

Specific management information relating to an applicant shall be submitted on a one time basis, with updates on an as needed basis. This requirement is part of the responsibility determination prior to the award of a grant identified under this RFA, if such information has not been provided previously under this or another NIFA program. We will provide you forms for use in fulfilling these requirements as part of the pre-award process. Although an applicant may be eligible, there are factors that may exclude an applicant from receiving federal financial and nonfinancial assistance and benefits under this program (e.g., debarment or suspension of an individual involved or a determination that an applicant is not responsible based on submitted organizational management information).

## **PART VI—AWARD ADMINISTRATION**

### **A. General**

Within the limit of funds available for such purpose, the NIFA awarding official shall make grants to those responsible, eligible applicants.

### **B. Award Notice**

The notice of Federal award (Form NIFA-2009) is the authorizing document. The award document contains award provisions and other pertinent information. See <http://nifa.usda.gov/wait-notification> for further details.

### **C. Administrative and National Policy Requirements**

Several federal statutes and regulations apply to grant applications considered for review and to project grants awarded under this program. These may include, but are not limited to, the ones listed on the NIFA web page - <http://nifa.usda.gov/federal-regulations>.

NIFA Federal Assistance Policy Guide—a compendium of basic NIFA policies and procedures that apply to all NIFA awards, unless there are statutory, regulatory, or award-specific requirements to the contrary is available at <http://nifa.usda.gov/policy-guide>.

### **D. Expected Program Outputs and Reporting Requirements**

Section 105 of the Agricultural Research, Extension, and Education Reform Act of 1998 (AREERA) amended the Smith-Lever Act and the Hatch Act to require an approved POW for extension and research activities at 1862 Land-grant Institutions in order to receive Federal funding. As stated in the Preface to the Federal Register Notice at 71 FR 4107 (January 25, 2006), “Although the District of Columbia receives extension funds under the District of Columbia Postsecondary Education Reorganization Act, Public Law 93–471, as opposed to the Smith-Lever Act, NIFA has determined that it should be subject to the POW requirements imposed under these guidelines except where expressly excluded.” Therefore, the University of the District of Columbia must submit both a 5-Year Plan of Work Update for FY 2016-2020 (i.e., submitted as an annual update) and an Annual Report of Accomplishments and Results.

The Plan of Work (POW) Update for FYs 2017-2021 and Annual Report of Accomplishments and Results for FY 2015 are due by April 1, 2016 and should be submitted online through the NIFA Reporting Portal at the web address: <http://portal.nifa.usda.gov/portal>. Additional information about the POW is available at: <http://nifa.usda.gov/tool/pow>

The following is a description of project data reporting requirements through the REEport system (located at <http://portal.nifa.usda.gov>) as well as the SF-425 reporting requirements:

For the **SLBC** RFA, Financial reporting via the SF-425, Federal Financial Report for FY 2016 is due to the Capacity Grants Branch, Awards Management Division, OGF, on April 1, 2017, for

the period October 1, 2015, through September 30, 2016, and annually thereafter until the award is closed out.

For the **DCPPERA** RFA, Financial reporting via the SF-425, Federal Financial Report for FY 2016 is due to the Capacity Grants Branch, Awards Management Division, OGF, on December 31, 2016, for the period October 1, 2015, through September 30, 2016, and annually thereafter until the award is closed out.

See <http://nifa.usda.gov/program/smith-lever-act-capacity-grant> for additional details of annual, final technical and financial reporting requirements. Instructions for using the REEport system are included on the NIFA web site at: <http://nifa.usda.gov/report-resources-land-grant-partners>.
