

Animal Health and Disease Research Program

Fiscal Year 2021 Request for Applications

APPLICATION DEADLINE: March 30, 2021

United States
Department of
Agriculture

National Institute
of Food and
Agriculture

**NATIONAL INSTITUTE OF FOOD AND AGRICULTURE
U.S. DEPARTMENT OF AGRICULTURE**

Animal Health and Disease Research Program

INITIAL ANNOUNCEMENT

ASSISTANCE LISTING formerly known as the Catalog of Federal Domestic Assistance: This program is listed in the Assistance Listings under **10.207**.

DATES: Applications must be received by **5:00 p.m. Eastern Time on March 30, 2021**. Comments regarding this request for applications (RFA) are requested within six months from the issuance of this notice. Comments received after that date will be considered to the extent practicable.

STAKEHOLDER INPUT: The National Institute of Food and Agriculture (NIFA) seeks comments on all request for applications (RFAs) so it can deliver programs efficiently, effectively, with integrity, and with a focus on customer service. NIFA considers comments, to the extent possible when developing RFAs and use comments to help meet the requirements of [Section 103\(c\)\(2\) of the Agricultural Research, Extension, and Education Reform Act of 1998 \(7 U.S.C. 7613\(c\)\(2\)\)](#). Applicants may submit written comments to Policy@usda.gov (email is for comments only). Please use the following subject line: *Response to the Capacity and Infrastructure Program Part (a) of the Continuing Animal Health and Disease, Food Security, and Stewardship Research, Education and Extension Program RFA*.

EXECUTIVE SUMMARY: NIFA requests applications for the *Capacity and Infrastructure Program Part (a) of the Continuing Animal Health and Disease, Food Security, and Stewardship Research, Education and Extension Program (aka Animal Health and Disease Research or AHDR)* for fiscal year (FY) 2021 to assist all states in carrying out a program of research activities designed to do the following:

- (1) To meet expenses of conducting animal health and disease research, publishing and disseminating the results of such research, and contributing to the retirement of employees, subject to the provisions of the Act of March 4, 1940 (54 Stat. 39–40, as amended; [7 U.S.C. 331](#));
- (2) For administrative planning and direction; and
- (3) To purchase equipment and supplies necessary for conducting such research.

The amount available for support of this program in FY 2021 is approximately **\$3.7 million**. NIFA will issue FY 2021 payments subject to the applicant having met the previous year's reporting requirements. As noted in Part III § B of this RFA, matching is required, so applicants should pay particular attention to the matching instructions included in Part IV § B(4).

This notice identifies the objectives for the AHDR program, the eligibility criteria for projects/program and applicants, and the application forms and associated instructions you need to apply for an Animal Health Capacity Program grant.

PART I—FUNDING OPPORTUNITY DESCRIPTION

A. Legislative Authority and Background

Section 1433 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, enacted as Title XIV of Pub. L. 95–113 (The Food and Agriculture Act of 1977) - ([7 U.S.C. 3195](#)) also known as the Animal Health and Disease Research (AHDR) program, provides the basis for federal funding for research activities into animal health and diseases at accredited State schools or colleges of veterinary medicine or agricultural experiment stations that conduct animal health and disease research.

States are eligible for funds appropriated under this Act according to the following formula: Forty-eight percent of the State allotment will be distributed among the states in the proportion that the value of and income to producers from domestic livestock, poultry, and commercial aquaculture species in each State bears to the total value of and income to producers from domestic livestock, poultry, and commercial aquaculture species in all the states, based on the most current inventory of all cattle, sheep, swine, horses, poultry, and commercial aquaculture species published by the Department of Agriculture. Forty-eight percent of the State allotment will be distributed among the states in the proportion that the animal health research capacity of the eligible institutions in each state bears to the total animal health research capacity in all the states, as determined by NIFA.

The applicability of the 5 percent retirement cap to capacity programs listed in section 251(f)(1) of the Department of Agriculture Reorganization Act of 1994, 7 U.S.C. 6971(f)(1) will depend on final appropriations act language. The authority to pay for the retirement of land-grant college employees is found in 7 U.S.C. 331. Section 331 applies to Acts supplementary to the First Morrill Act and to programs authorized under authorities that specifically provide for the application of section 331. Therefore, the 5 percent retirement cap applies to Smith-Lever, Smith Lever special needs, DC PERA, Hatch, 1890 Extension, 1890 Research, and Animal Health grants. This includes these grants in Puerto Rico, US Virgin Islands, Guam, American Samoa, Northern Marianas, and Micronesia. The retirement cap does NOT apply to the following programs: McIntire-Stennis, 1890 Facilities, RREA, EFNEP, and Tribal College Endowment.

B. Purpose

The purpose of the AHDR program is to increase animal health and disease research activities at accredited public or private veterinary schools or colleges, or state agricultural experiment stations that conduct animal health and disease research. The AHDR program is aligned with the following [USDA Strategic Goals](#):

1. Strategic Goal 2: Maximize the Ability of American Agricultural Producers to Prosper by Feeding and Clothing the World; (Objective 2.3), to protect agricultural health by preventing and mitigating the spread of agricultural pests and disease; and
2. Strategic Goal 7: Provide all Americans Access to a Safe, Nutritious, and Secure Food Supply.

PART II—AWARD INFORMATION

Available Funding. NIFA will distribute funds to the institutions according to the amounts allocated in FY 2021. The amount available for support of this program in FY 2021 will be approximately **\$3.7 million**. The [Automated Standard Applications for Payment System](#) (ASAP), operated by the Department of Treasury’s Bureau of the Fiscal Service, will be the payment system for all NIFA grant awards.

Type of Application. Applications for FY 2021 is limited to new applications. A new application is an application not previously submitted to this program.

Responsible and Ethical Conduct of Research. See [Responsible and Ethical Conduct of Research](#).

PART III—ELIGIBILITY INFORMATION

A. Eligible Applicants

Table 1 provides a list of the accredited school or college of veterinary medicine or State agricultural experiment station that conduct animal health and disease research in accordance with NARETPA section 1433(c)([7 U.S.C. 3195](#)):

Table 1. Eligible Applicants

Legal Name (From SAM)	Department (Eligible Institution or Department)
University of Alaska Fairbanks	University of Alaska Fairbanks Agricultural and Forestry Experiment Station

Washington State University	Washington State University Coll of Veterinary Medicine
University of Wisconsin System	University of Wisconsin, Agricultural Experiment Station & College of Veterinary Medicine
West Virginia State University	West Virginia State University Coll of Ag and Nat Resources
University of Wyoming	University of Wyoming Ag Exp Station

Award recipients may subaward to organizations not eligible to apply provided such organizations are necessary for the conduct of the project. Failure to meet an eligibility criterion by the time of the application deadline may result in the application being excluded from consideration or if the application is reviewed preclude NIFA from making an award.

Eligibility is also contingent upon timely responsiveness to the pre-submission reporting requirements, which include the submission of an annual AHDR Program of Research (PoR) and the timely submission and approval of an annual Animal Health Research Capacity Report, by each eligible entity. NIFA solicits these reports from all eligible entities during the months immediately preceding release of this RFA. Research Capacity report data must be collected and processed by NIFA before this RFA can be released because this data drives approximately half of the formula determining the total distribution of funds to each entity.

B. Cost Sharing or Matching

There is 100% matching required for award amounts over \$100,000. Awards under \$100,000 do not have a matching requirement. [7 U.S.C. 3200](#) provides no funds in excess of \$100,000, exclusive of the funds provided for research on specific national or regional animal health and disease problems under the provisions of section 3196 of this title, shall be paid by the Federal

Government to any State under subsection (c) of section 3195 of this title to carry out subsection (a) of such section during any fiscal year in excess of the amount from non-Federal sources made available to and budgeted for expenditure by eligible institutions in the State during the same fiscal year for animal health and disease research. The Secretary is authorized to make such payments in excess of \$100,000 on the certificate of the appropriate official of the eligible institution having charge of the animal health and disease research for which such payments are to be made.

If any eligible institution certified for receipt of matching funds fails to make available and budget for expenditure for animal health and disease research in any fiscal year sums at least equal to the amount for which it is certified, the difference between the Federal matching funds available and the funds made available to and budgeted for expenditure by the eligible institution shall be reapportioned by the Secretary among other eligible institutions of the same State, if there are any which qualify therefor, and, if there are none, the Secretary shall reapportion such difference among the other States.

In accordance with [48 U.S.C. 1469a\(d\) and 1469a note](#), notwithstanding any other provision of law, in the case of American Samoa, Guam, the Virgin Islands, and the Northern Mariana Islands, NIFA waives any requirement for local matching funds under \$200,000 (including in-kind contributions) required by law to be provided by American Samoa, Guam, the Virgin Islands, or the Northern Mariana Islands for this grant program.

PART IV—APPLICATION AND SUBMISSION INFORMATION

A. Method of Application

Applicants must apply to this RFA electronically, no other method or response is accepted. The electronic application for this RFA and additional resources are available on [Grants.gov](https://www.grants.gov) and [Grants 101](#). **Table 2** provides instructions on how to obtain an electronic application. **Part II § 1** of the [NIFA Grants.gov Application Guide](#) (Application Guide) contains detailed information regarding the registration process.

Table 2: Steps to Obtain Application Materials

Steps	Action
Step One: Register	<i>New Users</i> to Grants.gov must register early with Grants.gov prior to submitting an application (Register Here).
Step Two: Download Adobe	Download and Install Adobe Reader (see Adobe Software Compatibility for basic system requirements)
Step Three: Find Application	Using this funding opportunity number USDA-NIFA-10207-AHDRXXXX-21-0001 , search for application here: Opportunity Package .
Step Four: Assess Readiness	Contact an AR prior to starting an application to assess the organization’s readiness to submit an electronic application.

Table 3: Help and Resources

Grants.gov Support	NIFA Support
Grants.gov Online Support Telephone support: 800-518-4726 Toll-Free or 606-545-5035 Email support: support@grants.gov Self-service customer based support: Grants.gov iPortal <i>Key Information: Customer service business Hours 24/7, except federal holidays.</i>	Email: _capacitygrantquestions@usda.gov <i>Key Information: Business hours: Monday thru Friday, 7a.m. – 5p.m. ET, except federal holidays</i>

B. Content and Form of Application Submission

Applicants must prepare electronic applications following Parts V and VI of the NIFA Grants.gov Application Guide. This guide is part of the corresponding application package (see Section A of this part). The following additional information is needed to prepare an application for this RFA. If there is discrepancy between the two documents, the information contained in this RFA is overriding.

Table 4: Key Application Instructions

Instruction	References (All references are to the <u>Application Guide</u>)
Attachments must be in a portable document format (PDF) format.	Part III § 3
Check the manifest of submitted files to verify attachments are in the correct format.	Part III § 6.1
Conduct an administrative review of the application before submission.	Part VII
Follow the submission instructions.	Part IV § 1.5
Provide an accurate email address, where designated, on the SF-424 R&R.	Part IV § 1.5

The NIFA Grants.gov Application Guide includes instructions for additional forms that are not needed for an application in response to this RFA. Complete and submit only the forms associated with the funding opportunity package and as instructed in numbers one thru four below.

Each grant application must contain the following:

- “Application for Federal Assistance,” Form SF-424 R&R Cover Sheet
- Key Contacts Form
- NIFA Supplemental Information Form
- Attachment Form

1. **SF 424 R&R Cover Sheet.** Information related to the questions on this form is available in Part V, 2 of the NIFA Grants.gov Application Guide. The following are additional instructions. Please note new instructions are included below for Field 5. The Organizational Information NIFA has included in Appendix A is based on FY2020 applications received for this program. If your organization intends to submit an application using information other than what appears in Appendix A, please contact us at Capacitygrantquestions@usda.gov prior to submitting your application.
 - a. **Field 1. Type of Submission** – Check “Application”
 - b. **Field 5. Applicant Information**
 - Enter Legal Name of the Applicant as registered in the System for Awards Management which appears in the first column of Appendix A to this RFA.
 - Enter Organizational DUNS as it appears in the third column of Appendix A to this RFA.
 - Enter Department Name of Eligible Recipient as it appears in the second column of Appendix A to this RFA.
 - c. **Field 8. Type of Application** – Enter “new”
 - d. **Field 15. Estimated Project Funding** – For item a, enter your institution’s FY 2020 allocation as listed in Appendix A to this announcement

- e. **Field 17. Complete Certification** - See Part V, Section 2.18 of the NIFA Grants.gov Application Guide for the required certifications and assurances (e.g., Prohibition Against Entities Requiring Certain Internal Confidentiality Agreements)
2. **Key Contacts Form.** Information related to the questions on this form is available in Part VI, 4 of the NIFA Grants.gov Application Guide.
 - Animal Health**
 - a. **Contact 1 Project Role:** Enter the contact information for the Dean or Director.
 - b. **Contact 2 Project Role:** Enter the contact information for the Dean’s or Director’s designee, if applicable.
 - c. **Contact 3 Project Role:** Enter the contact information for the Business Office Manager/Administrator.
 - d. **Contact 4 Project Role:** Enter the contact information for the person responsible for drawdowns.
 3. **Supplemental Information Form.** Information related to the questions on this form is available in Part VI, 1 of the NIFA Grants.gov Application Guide. The following are additional instructions.
 - a. **Field 2. Program to which you are applying.** Enter the program code name (i.e., enter “Animal Health and Disease Research -) and the program code (i.e., enter “AHDR”).
 - b. **Field 8. Conflict of Interest List.** Do not attach a conflict of interest list.
 4. **Attachment Form.** Information related to the questions on this form is available in Part VI, 5 of the NIFA Grants.gov Application Guide. The following are additional instructions.
 - a. **Felony Convictions or Tax Delinquent Status** - See Part V, Section 4.12. of the NIFA Grants.gov Application Guide for instructions regarding mandatory Felony Convictions or Tax Delinquent Status. For Capacity programs, this mandatory information must be identified on the Attachment Form and included with application

b. Matching Funds –

If matching funds are required as specified under Part III, B. Cost-Sharing or Matching, the matching is an eligibility criterion and you must identify on the Attachment Form and include the non-federal source documentation with the application. We will consider this documentation when ascertaining final matching requirements. NIFA retains the right to make final determinations regarding matching requirements.

The matching documentation is to include the non-federal sources (specify whether the third party, cash, in-kind, state or non-state source, county or non-tax and the amount for each source) and amount of all matching support including matching from outside the applicant institution and place that information in PDF format (see Part III, Section 3. of the guide for attachment requirements) and include as a separate attachment to the Attachment Form.

Establish the value of applicant contributions in accordance with applicable cost principles. Refer to 2 CFR Part 200, “Uniform Administrative Requirements, Cost

Principles, and Audit Requirements for Federal Awards”, for further guidance and other requirements relating to matching and allowable costs.

C. Submission Dates and Times

Instructions for submitting an application are included in Part IV, Section 1.9 of the NIFA Grants.gov Application Guide. Applications are due by **5 p.m. Eastern Time on March 30, 2021**. Applications received after this deadline will normally not be considered for funding.

Applicants may check the status of your application in the [ezFedGrants](#) portal or by looking in Grants.gov after NIFA accepts the application. Please refer to the [ezFedGrants](#) training tab for access information. If an applicant is not able to validate NIFA received their application by **April 13, 2021**, they should contact the Agency Administrative Contact identified in Part VII of this RFA. Failure to do so may result in the application not being processed and funding being held. You should cite your Grants.gov tracking number on all inquiries until an award number is assigned.

D. Funding Restrictions

1. **Approved NIFA AHDR Projects.** AHDR federal funding may only be used on AHDR approved projects.
2. **Indirect Costs and Tuition Remission.** In accordance with section 1473 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3319), indirect costs and tuition remission are unallowable as AHDR formula grant expenditures.
3. **Matching.** See Part III, B. for additional information.
4. **Carryover of Funds.** AHDR funds are expected to be fully expended in the fiscal year of appropriation; however, funds may be carried over for up to one additional year. Please note there is no limitation on the amount of federal funds that may be carried over for this one additional fiscal year. No prior approval from NIFA is required. Since this limitation is legislatively mandated, NIFA is not authorized to grant any carry-over requests beyond this one additional year.

E. Other Submission Requirements

Applicants must follow the submission requirements noted in Part IV, Section 1.9 of the NIFA Grants.gov Application Guide. See Part III, Section 6 of the NIFA Grants.gov Application Guide for information about the status of a submitted application.

DUNS Number and System for Award Management (SAM) – each applicant (unless excepted under 2 CFR § 25.110(b) or (c), or has an exception approved by the federal awarding agency under 2 CFR § 25.110(d)) is required to:

1. be registered in SAM before submitting its application;
2. provide a valid DUNS number in its application; and
3. continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency.

If an applicant has not complied with all applicable DUNS and SAM requirements they may be considered unqualified to receive an award. An applicant's SAM registration information determines their organization's ID in the ezFed Grants system. This information must match the applicant's ASAP recipient DUNS and EIN.

PART V—APPLICATION REVIEW REQUIREMENTS

A. General

NIFA will review submitted documents to determine if all program, financial, and administrative requirements have been met and are current.

B. Organizational Management Information

Applicants must submit specific management information relating to an applicant prior to an award and update the information as needed. Applicants may only have to update their information if they had previously provided the information under this or another NIFA program. NIFA provides the requisite forms during the pre-award process. Although an applicant may be eligible for award under this program, there are factors that may exclude an applicant from receiving federal financial and nonfinancial assistance and benefits under this program (e.g., debarment or suspension of an individual, or a determination that an applicant is not responsible).

PART VI—AWARD ADMINISTRATION

A. General

Within the limit of funds authorized, the NIFA awarding official will make grants to responsible and eligible applicants whose applications are judged most meritorious under the procedures set forth in this RFA.

Award Notice. The notice of federal award is the authorizing document. The award document contains award provisions and other pertinent information. See [Notice of Award](#) for further details.

B. Administrative and National Policy Requirements

Several federal statutes and regulations apply to grant applications and the projects outlined in this RFA (some are listed here: [Federal Regulations](#)). Unless specifically noted by statute or award-specific requirements, [NIFA Policy Guide](#) applies to all NIFA awards.

C. Expected Program Outputs and Reporting Requirements

See [Animal-Health](#) for additional details of annual, final technical, and financial reporting requirements. Instructions for using the REEport system are included on the NIFA web site at [REEport Resources - Land-Grant Partners](#).

PART VII—AGENCY CONTACTS
